

Introduction

Member of the Finance and Resources Committee

Patricia (Tricia) Donnelly, MSc., BSc (Hons)., PgCert. CBT., RMN

Tricia is Chief Executive of a third sector organisation that supports over 1500 vulnerable individuals across the lifespan via a workforce of 800 staff. A qualified mental health nurse and with nearly 3 decades working in health and social care, she oversees the strategic and operational aspects of service delivery.

With a passion for lifelong learning and recognising the vital role the college plays in its local community, Tricia is delighted to join the Board of Management. She looks forward to supporting the sustained success of the college as it continues to improve opportunities for students, equipping them with the skills, tools and knowledge to positive destinations and employment.

She looks forward to contributing to the life of the College and is always eager to meet students and staff.
